

Read the text to choose the correct answer from a,b,c and d:

Neil Armstrong was born in 1930. His love for flying started at a young age when his father took him to an air show. He was selected by NASA to be an astronaut. On July 16, 1969, Neil and his team flew to the Moon. Neil landed successfully and he was the first to leave the spaceship and walk proudly on the Moon. 600 million people watched the first moonwalk on TV. His team collected moon rocks and were on the Moon for over 21 hours. The footprints made by the astronauts are still on the Moon because there isn't any wind to remove them. Neil and his team happily arrived back on Earth. They landed safely in the ocean and they became heroes.
