She ……………………………………………………

They ……………………………………………………

He ……………………………………………………

A. pay the bills every month.

B. read textbooks for her exam.

C. repair the house before winter.

D. go to bed early for school.

C. LISTENING

Exercise 1: Listen and write (Track 30 – CD1)

1. …………………………………..

2. …………………………………..

3. …………………………………..

4. …………………………………..

5. …………………………………..

6. …………………………………..

Exercise 2: Listen and circle (Track 31 – CD1)

I. When you use addition, can you change the order of the numbers?

A. Yes

B. No

2. What's the opposite of addition?

A. division

B. subtraction

3. What's a fast way to add the same number many times?

A. addition

B. multiplication

4. What helps you separate something into equal groups?

A. division

B. subtraction

D. WRITING

Exercise 1: Tell me about your self

1. What can you do on weekends?

…………………………………………………………………………….

2. What can you do on weekdays?

…………………………………………………………………………….

3. What do you have to do in the morning?

……………………………………………………………………………

Exercise 2: Do you like Maths? Answer in 3-5 sentences.

…………………………………………………………………………….
…………………………………………………………………………….
……………………………………………………………………………
……………………………………………………………………………
…………………………………………………………………………….
……………………………………………………………………………
…………………………………………………………………………….
……………………………………………………………………………
