

CLOTHES - REVISION-1

Yesterday, I decided to go through my clothes and found an old pair of 1) _____. They were quite 2) _____, so I had to adjust them a little. I also found a beautiful shirt, but it was very 3) _____ for my taste. I prefer something a bit more 4) _____ when I go out.

I also found a dress with a 5) _____ pattern, which I thought would match well with a simple 6) _____ for my hair. I paired it with my favorite 7) _____ shorts, made from soft 8) _____ that feels great in the summer.

I always appreciate clothes that feel 9) _____ but also look 10) _____, especially when I'm going to a 11) _____ event. As I went through my wardrobe, I realized I had a few pieces that were a bit too 12) _____ for me, so I decided to donate them.

After trying on a 13) _____ jacket, I had to 14) _____ it because it no longer fit me well. I folded it and neatly placed it in a bag. Some of my clothes were too 15) _____ or 16) _____, so I knew it was time to replace them with something more comfortable.

I ended the day by organizing my accessories, making sure my 17) _____ were neatly folded, and my 18) _____ were ready for my next night out. I even found a 19) _____ I hadn't worn in ages.

Finally, I buttoned up my 20) _____ coat and was ready to face the cooler weather in style.

CLOTHES - REVISION -2

Fashion is a dynamic world, constantly evolving with trends that range from 1)_____and basic to sophisticated and in high fashion. Whether you prefer the comfort of sneakers or the elegance of 2)_____, the way we 3)_____expresses our personality. Some days, it's all about an informal look, like pairing a baggy blouse with cozy 4)_____garments, while other occasions call for something more official—a 5)_____suit that fits like a glove.

People often mix and 6)_____ fabrics, from soft leather accessories to lace-trimmed tops, combining styles to create their own unique 7)_____. While some choose tight clothes that show off every curve, others prefer a more relaxed, 8)_____fit. A perfectly fitted suit can make you feel both powerful and sleek, whether you're heading to a meeting or attending a formal event.

It's important to take care of our clothes too, ensuring they 9)_____in good condition. Many items, from underwear to cloaks, require proper care to last. We often iron clothes to keep them crisp and store clothes properly to prevent them from 10)_____out. If a favorite item like a jacket gets a tear or rip, we can always mend clothes or even take them to a tailor to have them sewn back together. Sometimes, old 11)_____can be swapped, recycled, or even updated to stay in high fashion.

Styles come and go, with some trends feeling old-fashioned or 12)_____, while others continue to fit like a glove. Accessories like belts and buttons can also change how an outfit looks.

CLOTHES - REVISION-3

Yesterday, I decided to refresh my wardrobe. I noticed that my sneakers' 1) _____ were worn out, so I knew it was time to replace them. After that, I found a pair of jeans with a small tear. Luckily, I know how to 2) _____ clothes, so I grabbed my sewing kit and fixed them.

As I continued, I found an old white shirt that had some stains. I had to 3) _____ and 4) _____ it before it became permanent. It made me think about all the clothes that go 5) _____ after just a few seasons, while I try to keep my wardrobe 6) _____.

I also came across a shirt with 7) _____, but instead of throwing it away, I decided to 8) _____ it until I have time to fix it.

After organizing my closet, I found a 9) _____ that I haven't worn in a while. It still fits me 10) _____, so I'll definitely wear it to the next formal event. On the other hand, I spotted a beautiful 11) _____ that's perfect for summer days, and I knew I had to keep it at the front of my wardrobe.

I also found a cozy 12) _____ that will be perfect for the upcoming cold season. It might be considered 13) _____ for some, but I still think it's stylish.

By the time I was done, my wardrobe was neat and organized. I rolled up my sleeves and felt proud of my work. It's always a good idea to 14) _____ and make sure everything is ready for the new season!
