**Josh's School Trip**

When they went inside the first cave, Josh was unhappy because it was very dark inside. But after a few minutes, he could see the old rock walls, but he was disappointed as there was not much to see.

Suddenly, Josh heard something above his head. He looked up and saw hundreds of bats. 'Mrs Daniel! There are bats in this cave,' he whispered to his teacher.

'Yes, bats like living in caves,' his teacher answered. 'It's OK. They won't hurt you. Come and look at this,' Josh's teacher took a torch out of her backpack and pointed it at one of the walls. There were some beautiful paintings of the people and animals that lived there thousands of years ago.

'Amazing!' said Josh. 'Would you like to live in a cave, Mrs Daniel,' asked Josh. 'No!' she laughed. 'I don't want to live in a cold, dark place like this,' she said. 'Come on! Let's head back to the hotel to draw some pictures of the cave paintings.'
