

# The story of us- Taylor swift

I one day we'd tell the story of us  
How we met and the sparks flew instantly  
And people would say: They're the lucky ones  
I know my place was the spot next to you  
Now I'm searching the room for an empty seat  
'Cause lately I even know what page you're on

Oh, a simple complication  
Miscommunications lead to fallout  
So many things that you knew  
So many walls up I can't break through

Now I'm standing alone in a crowded and we're not speaking  
And I'm dying to know: Is it killing you like it's killing me, yeah?  
I don't know what to say since the twist of fate when it all broke down  
And the story of us looks a lot like a tragedy now

Next chapter

How'd we end up this way?  
See me nervously pulling at my clothes and trying to look busy  
And you're doing your to avoid me  
I'm starting to think one day I'll tell the story of us  
How I was losing my mind when I saw you here  
But you held your pride like you should've held me

Oh, I'm scared to see the ending  
Why are we pretending this is nothing?  
I'd tell you I miss you, but I don't know how  
I've never heard silence quite this loud

Now I'm standing alone in a crowded room and we're not speaking  
And I'm dying to know: Is it killing you like it's killing me, yeah?  
I don't know what to say since the twist of fate when it all broke down

And the story of us looks a lot like a tragedy now

This is looking like a contest  
Of who can act like they care less  
But I liked it when you were on my side  
The battle's in your hands now  
But I would lay my armor down  
If you said you love than fight

So many things that you I knew  
But the story of us might be ending soon

Now I'm standing alone in a crowded and we're not speaking  
And I'm dying to know: Is it killing you like it's killing me, yeah?  
And I don't know what to say since the twist of fate when it all broke down  
And the story of us looks a lot like a tragedy now, now, now

And we're not speaking  
And I'm dying to know: Is it killing you like it's killing me, yeah?  
I don't know what to say since the twist of fate 'cause we're goin' down  
And the story of us looks a lot like a tragedy now
