**Listen to an interview with three teenagers about life in their cities.
Decide if the statements are true (T) or false (F).**

Number	Sentences	T	F
1	There are many facilities for public use in Tom's city.		
2	Elena likes spending her free time in shopping malls.		
3	Food stalls are not popular in Chi's city.		
4	In Chi's city, many teens like street food more than food prepared at home.
