

# Who's in the tree?

Out in the garden  
Up in the tree

There are   
Can you see?

Out in the garden  
Up in the tree

There are   
Can you see?

Out in the garden  
Up in the tree

There are   
Can you see?

Out in the garden  
Up in the tree

There are   
Can you see?

 Out in the garden  
Up in the tree

There are   
Can you see?

 Now there's a problem  
Look at the tree!   
There are twenty   
Can you see?

# Roses are Red

Roses are red,  
Spiders are ,  
Don't look now  
But there's one on your back!

# I Like Colors

I like   
I like the sky  
where birds fly high.

I like   
I like the sun  
when we have fun.

I like   
I like frogs  
as still as logs.

I like   
I like the dark  
when foxes bark.
