b READING COMPREHENSION

Instructions: Read the text. Then, complete the survey using May´s information.

GOING OUT

In my free time, I like to go out with my friends. We often go to the Cinema and have fun together. Sometimes we eat at a italian restaurant called “The Pomodoro”, but not very often, maybe once a month. We like to go to the restaurant on weekends because there is live music and special promotions. When I don´t go out with my friends, I stay at home and surf the internet or read a book. I enjoy my free time at home, but I prefer going out with my friends.
