5 **EXAM** Complete the email with the words in the box.

genuine inspiration portraits primitive
replica species

Hey guys! I've just got back from a day at the Museum of Natural History and Archaeology. Have you ever been there? It's pretty cool. They've got lots of great exhibits. In the main hall, there is a (1) _____ of a dinosaur. It was made last year using the latest computer modelling techniques, so it's probably fairly accurate. They've also got plenty of (2) _____ fossils and skeletons from a variety of different (3) _____, including bears, wolves and a few big cats.

There's a special exhibition at the moment about cave art, you know, the (4) _____ paintings and drawings that our ancestors used to decorate their caves with. That was fascinating. In one of the halls, there are also (5) _____ of some of the people who travelled the world hundreds of years ago and found many of the unusual things. Those guys were pretty tough if you ask me. It's a great place to go if you're looking for some (6) _____ for your next art project. I got loads of great ideas there. And best of all, it's free to get in! Check it out today!

6 **EXAM** Choose the correct options (A, B or C) to complete the text.

The extraordinary art of Christo and Jeanne-Claude

One summer, a few years ago, I (1) _____ English at a large summer school in London for three weeks and was finally enjoying a day off in Hyde Park. In the middle of the park, we came across a giant multicoloured rectangular structure with sloping sides made out of thousands of plastic oil barrels. I (2) _____ anything like it before in my life. Very quickly I became intrigued by the artists who (3) _____ it and soon found out that their stories were as fascinating as their art. Their names are Christo and Jeanne-Claude. They met in Paris in 1958 after Christo (4) _____ to paint Jeanne-Claude's mother's portrait, and they got married the following year. Christo (5) _____ as an artist for some years before they met, but once they began working together, they became more inspired. In 1964, they moved to New York, and after they (6) _____ there for a few years, Christo and Jeanne-Claude's work began to receive more exposure, which enabled them to be more ambitious. In 1968, they began to wrap large structures in fabric. Although these projects took a huge amount of time to complete, they would only last for a few days or weeks once finished. By the early 1970s, seven large structures (7) _____ in fabric by the pair, including a 2.5-kilometre stretch of the Australian coastline and a valley in the Rocky Mountains, USA. Until the 1990s, Jeanne-Claude's name (8) _____ with their work because they (9) _____ that a man's name had more chance of success in the art world. But this changed, and by the time of Jeanne-Claude's death in 2009, both their names (10) _____ the recognition they rightly deserved.
