

Ups! What a mess!...  
Can you help me with  
the sentences?

Remember! The adjective (green, red, long, short...) always goes before the name. Follow the example:

blue / It's got / feathers.  
It's got blue feathers.

ears / long / It's got

It's got / legs. / four

shell / It's got / a

ears. / big / It's got

long / It's got / body.
