Hotel Guide

Lovely hotel!

This is a big hotel. It has 120 rooms, all with their own bathroom. You can see the park from some of them. It's right downtown, so it's very well located. If you have a car, there is a parking lot next to the hotel. Also, there's a gas station across from the hotel, between Forest and Lincoln. And if you're not driving, there's a subway station on Green Street.

There are a lot of services near the hotel with everything you need. There is a large convenience store on First Avenue and a big department store just a few blocks away. There are many great restaurants, too. If you have kids, there's a park with a playground next to the convenience store, on the corner of Main Street and First. If you want to relax, there is a movie theater and a small library on Main Street. It's a fantastic hotel!
