#### Vegetable favourites

Hi! My name is Zoe and I'm a vegetarian. I have been a vegetarian for five years. There are lots of amazing recipes for food that isn't made with meat. I want to tell you about my favourite recipe. It's vegetable curry. It's eaten a lot in India, but also in the UK. The ingredients are onions, tomatoes, potato, spinach and chillies and it is eaten with rice. I also add more chillies because I like spicy food. I often make it at the weekends for my family. First, I chop all the ingredients and then cook them in a large pan with oil. Next, I cook rice in hot water in a large pan. I sometimes bake special naan bread, which is made in a hot oven. I love vegetarian dishes – you should try some, too! There is a special drink called lassi which is a yoghurt drink. It is made with yoghurt and water and milk and sometimes salt or sugar or fruit. My favourite is mango lassi. It is the perfect drink with curry because it is cool and curry is spicy.
