

My number one cool place this week is a city. It's Liverpool! People often think Liverpool is very busy and dirty. Well, it's busy but it's cleaner than you think. It's also very interesting and you can do some interesting things.

I went there with my family last weekend to visit my Uncle Robert. He's a police officer so he knows the city very well. He took us to China Town for dinner on Friday evening. On Saturday morning we went to the Museum of Liverpool. It's modern and very cool. Here's an interesting fact. Only London has more museums than Liverpool. Saturday afternoon was even better. We saw a football game at Liverpool FC's stadium, Anfield Road. Wow!

Before we came home on Sunday, I went for a long walk with dad and my uncle ... on the beach! Mum and my sister didn't come. They went shopping in Liverpool One, a very big shopping centre. Liverpool is awesome.
