ALEX'S ROUTINE

Alex's daily routine is quite structured. He wakes up at 6:00 AM every day. After getting up, he takes a shower, gets dressed, and has a quick breakfast. Then, he heads to work where he spends his mornings in meetings. In the afternoon, he has lunch with his colleagues. After work, Alex goes to the gym and works out for an hour. In the evenings, he likes to relax by reading a book or watching a movie. On the weekends, he enjoys spending time outdoors, hiking and cycling.

Contrastingly, Lisa's routine is more flexible. She wakes up around 7:30 AM, but sometimes she sleeps in. She doesn't have a fixed breakfast time and eats whenever she feels hungry. Lisa works from home, so her work hours are variable. She takes breaks to walk her dog and have coffee. In the evenings, she often meets friends for dinner or goes to the gym. Lisa's weekends are spontaneous; she sometimes cooks, watches a movie, or simply relaxes, but always at home.
