PART 1

Meals in ITALY

My name is Maria and I'm Italian. In Italy, people eat different foods. We like pasta and pizza, but we don't eat them every day. We like a lot of different meat and fish. And we eat a lot of fruit and vegetables.

In my family, we have three meals a day. Breakfast is at eight o'clock. We eat *fette biscottate*, a type of breakfast bread, and have coffee with milk. Italian people usually drink a lot of coffee!

On work days, my lunch is always at one o'clock. I never have lunch in my office. I usually have a *panino* (that's a sandwich) or a slice of pizza with my friends in a café near the office. At the weekend I have lunch at home with my family.

Dinner is the big meal of the day for a lot of Italians. In my family, we always have dinner at half past eight. We have rice or pasta, then fish with vegetables. We don't eat a lot of meat. After dinner, we usually have fruit and coffee, but at the weekend we sometimes have cake.
