

#### 4 Complete the conversation with the correct form of *used to* and the verbs in brackets.

A How old is your brother now?

B He's nine.

A Wow! I remember him when he<sup>1</sup> \_\_\_\_\_ (be) a little baby.

B Yes. And I<sup>2</sup> \_\_\_\_\_ (take) care of him, too! I<sup>3</sup> \_\_\_\_\_ (read) him bedtime stories!

A<sup>4</sup> \_\_\_\_\_ (you / give) him food and put him to bed?

B No, I<sup>5</sup> \_\_\_\_\_ (not do) that. My parents<sup>6</sup> \_\_\_\_\_ (do) it. He's changed a lot. He really<sup>7</sup> \_\_\_\_\_ (look) up to me, but now he doesn't!

#### CUMULATIVE LANGUAGE

#### 5 Complete the text with the missing words. **Circle** the correct options.

When my mother was younger, she<sup>1</sup> \_\_\_\_\_ a singer. I<sup>2</sup> \_\_\_\_\_ this until recently! She<sup>3</sup> \_\_\_\_\_ long, blonde hair, and she<sup>4</sup> \_\_\_\_\_ really strange clothes. In her first year at university, she<sup>5</sup> \_\_\_\_\_ some other people who wanted to form a band. The other people quickly<sup>6</sup> \_\_\_\_\_ out that she was a really talented singer, so they asked her to join in. She<sup>7</sup> \_\_\_\_\_ famous, or anything like that, but she had a lot of fun. Unfortunately, I<sup>8</sup> \_\_\_\_\_ any recordings of her singing. They<sup>9</sup> \_\_\_\_\_ phones or video cameras then, so I can't see what she looked like. It's difficult to believe that my mum used to be a singer, because she<sup>10</sup> \_\_\_\_\_ very serious and sensible these days! She's got short, dark hair and she<sup>11</sup> \_\_\_\_\_ in a bank! Where did that young pop singer<sup>12</sup> \_\_\_\_\_?

1 a is	b was being	c was
2 a not know	b didn't knew	c didn't know
3 a was having	b did have	c used to have
