Ex 4: Read the text. Write some words to complete the sentences. You can use 1, 2, 3 or 4 words.

Hello, I'm Emma. I live with my family in a small, lovely house on the outskirts of the city. Every day, I get up at five-thirty. I always water vegetables and feed chickens in the garden with my father. Then I back to my room, do personal hygiene and get dressed, prepare books to go to school. My mom always prepares breakfast for the whole family. My father often takes me to school by motorbike because my school is quite far away from my house. After finishing school, I also participate in some clubs such as piano, and English clubs. At night, I help my mother with cooking and watch my favorite TV channels.
