Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the questions.

The internet has **revolutionized** the way people communicate and share information. In just a few decades, it has transformed from a niche technology used by a few researchers into a global phenomenon that touches nearly every aspect of modern life. Today, billions of people around the world use the internet daily to send emails, browse social media, read the news, and shop online.

One of the most significant benefits of the internet is its ability to connect people across the globe. Social media platforms like Facebook and Twitter allow users to stay in touch with friends and family, regardless of geographic location. Additionally, businesses have also benefited from the internet, using **it** to reach new customers and market their products on a global scale.

However, the internet is not without its challenges. The rapid spread of information can also lead to the dissemination of false or misleading news. Furthermore, privacy concerns have become a major issue as more personal information is shared online. Despite these challenges, the internet remains a vital tool for communication and commerce.

32. What is the main idea of the passage?
    A. The history of the internet's development.
    B. The benefits and challenges of the internet.
    C. How the internet transformed communication.
    D. Privacy concerns related to online shopping.
33. The word "**revolutionized**" in the passage is closest in meaning to:
    A. Enhanced B. Simplified C. Transformed D. Maintained
34. According to the passage, what is one advantage of the internet for businesses?
    A. It allows businesses to reduce production costs.
    B. It helps businesses access a global customer base.

LIVEWORKSHEETS
