**You will hear a radio news item about a house that was vandalised. Are the statements below true (T), false (F) or is there no information (NI)?**

- 1 The house was vandalised by the tenants who were living in it at the time.
- 2 The police officer who took Laura's report connected it with an advertisement.
- 3 The ad on the website said there were things for sale in the house.
- 4 It took the vandals a couple of hours to steal everything from the house.
5. The neighbours didn't notice anything suspicious.
- 6 The ad may have been posted by Laura's sister.
