Should Teenagers have mobile phones?

Most teens have mobile phones and a lot of them are hooked on them. Is this \_\_\_\_\_ or bad?

Mobiles phones are certainly very \_\_\_\_\_. You can keep in touch with family and friends very \_\_\_\_\_ and quickly. Moreover, you can use it in an \_\_\_\_\_. Mobile phones have often saved lives.

However, mobile phones can be \_\_\_\_\_. The radiation from them can damage our health if we use them too much. They can also distract teenagers from their \_\_\_\_\_. Spending time sending \_\_\_\_\_ instead of studying can make teens fall behind in their \_\_\_\_\_. All in all, mobile phones are very useful \_\_\_\_\_ to have.

However, teens should use them \_\_\_\_\_.
