What is a Debate?

debate = an argument with rules

Candidates for public office (ex. President) often debate so that voters can hear how they will solve issues (problems).

hear how they will solve issues (problems).
Watch this example of a debate.
pro = agree
con = disagree
What was the issue the 2 students were debating?
Which debater was pro the idea?
Which debater argued the con side?
n your opinion, what were the three best reasons given by the pro debater?
1)
2)
3)
n your opinion, what were the three best reasons given by the con debater?
1)
2)
3)
Are you pro or con this issue? Why? Give two reasons:
Tell two rules the debaters followed in this argument:
1)
2)
