

Přečti si text na straně 99 v učebnici – pro kontrolu porozumění můžeš použít google překladač 😊

Podle textu splň následující úkoly:

1. true – false – označ jen věty TRUE !!!

Gideon designed the Skycar in eighteen months.

Gideon travelled alone.

Neil is a pilot.

Gideon and Neil arrived to Africa two month later.

2. vyber správnou odpověď:

Who was Frank's hero?

How many kilometres can the SQuba travel on land?

How many kilometres can the SQuba travel on water?

How many kilometres can the SQuba travel underwater?

Is the SQuba ecological?

3. Spoj čarou:

Two friends invented two metres wide.

Police officers stopped them any helmets.

The couchbike was what to do.

They didn't have because they the couchbike was wide.

Police officer didn't know the couchbike.
