

PERUVIAN NATURAL PRODUCTS

Teacher: Nathaly Barrios Salinas

School: Antonio Raimondi - Cachicoto

I. Match the pictures of the products and their benefits:

Peru... paradise of natural products

Our country has a lot of natural products which could give benefits for our health. Let's see some examples:

- Aguaje gives a balance female hormone.
- Lentils are high in protein and good for your bones.
- Coconut water has essential minerals to neutralize the effects of dengue fever.
- Honey has an antibacterial action and anti-inflammatory effects.
- Goldenberries are high in antioxidants to promote weight loss.
- Quinoa are higher in fiber than many grains, helping your digestion.
