<b>A Anna, 15,</b> Trinidad and Tobago		I take part in our traditional carnival every year. This time it was special because for the first time my parents let me go there with my friends. The celebrations started with a beach party and some competitions in the water (luckily we had our costumes with us!). And we couldn't wait for the parade, which started at midnight. It ended with burning a large straw doll – we believe it brings good luck to the island!
<b>B Tobias, 14,</b> New York		The New Orleans carnival is one of the best parties I've ever been to. I have never been to a celebration like this before. Yesterday we went to see the traditional parade full of people in costumes. We also decided to wear funny clothes! Tomorrow we want to eat the King Cake. It's a special kind of cake with a surprise inside – a small doll. If you find it, you are a 'king' for a day!
<b>C Isabella, 15,</b> Rome		When I was a child I often went to visit my grandma in Venice and she took me to the carnival. I miss the good old times so I asked my mum if we could visit grandma again this year in January. The carnival was like a dream! I loved the colours of the masks. They are hand-painted and decorated with beautiful stones and feathers. I also tried the <i>fritole</i> , small doughnuts. They tasted strange – I gave them to my mum, she liked them better.
