Horror story

Can you put this Halloween horror story into the correct order?

- [ ] a. No one answered, but I could feel someone or something watching me. I was very scared. Then I heard a voice.
- [ ] b. The next thing I knew, a car was speeding towards me and I was flying through the air.
- [ ] c. I had been to see the film Psycho.
- [ ] d. I don't believe it was a malfunction. I know those traffic lights tried to kill me and I know they'll do it again.
- [ ] e. I reached the crossroads and was waiting for the traffic lights to change when suddenly I heard a noise beside me.
- [ ] f. The traffic lights changed to green and I started running across the road.
- [ ] g. 'I am going to kill you,' it said. Suddenly, my heart started beating faster and faster.
- [ ] h. I woke up in hospital with a broken leg. They told me that the traffic lights had malfunctioned and had caused the accident.
- [ ] i. 'Who's there?' I called.
- [ ] j. It happened last Friday. It was raining and I was walking home from the cinema alone.

In small groups, write your own short horror story. Make it as scary as possible!
