I'm Minh, almost 14 years old, and currently a student in _____ (1) school. On summer holiday, I have a lot of free time, so I take part in many activities, both _____ (2) and indoor. Every morning, I get up at 6 and run around the lake near my house to enjoy the fresh air and pleasant weather. After that, I have breakfast and spend two hours reading books in my family's cosy small _____ (3). From its window, I can enjoy the view of our neighbour's wonderful rose _____ (4). It's really relaxing. In the afternoon, I usually _____ (5) documentaries for one and a half hours four or five times a week. I'm good at history, so I like historical documentaries. I learn a lot from them. In the evening, I play basketball with my neighbours in the local park three or four times a week. However, I sometimes get bored with these _____ (6) routines. Therefore, I play computer games instead. I don't think it's a productive activity.
