

Verse 1

Say my I want the to hear it
Want your to feel it
Boy youif there's a I'm near it
Yeah I promise my it's
Only you has my and heals it
I'm the one can you
I'm the one can you

Chorus

..... can I be your
I'll be girl let you it
I know what you yeah just take it
Darling can I be your
..... you to tell me you crave it
My name's whatever you it

Verse 2

We say we're but you know when we're
I give you pieces of my
You're the one I see with my eyes
So please don't ever get cold
You pull me in and I where your goes
If you love me take
If you love me take

Chorus

Bridge

I swear ~~you're~~ heaven boy you're no
You me places only we go
You're so pretty god I swear that it's
I whisper things only we
Put your hands around my neck me
