B READING

READ THE STORY

Jill had a shower, put on a skirt and a t-shirt and she went to the kitchen to have breakfast. While she was having breakfast she looked out of the window and saw that the cat was crying in the garden. She didn't finish her breakfast and went to the garden to see her cat. 'Oh no', Jill thought. Her cat was bleeding. Quickly she told her mother about the problem. 'We must take the cat to the vet' Jill said. So Jill and her mother got into their car and left the house. When they arrived, Jill had to give some information to the receptionist and then they had to wait in the waiting room.

While they were sitting in the waiting room, they looked at the other people. There were two people: a man and a young girl. They were both with their pets. 20 minutes later, Jill heard her name. She stood up and went into the vet's room. Dr. Meadows examined Jill's cat. 'We'll give it some medicine and it'll be OK soon. Don't worry, it isn't very serious'. Jill smiled. When Jill and her mother were leaving, the receptionist stopped them.
'Wait', he said. 'That's $150'
