A day in my life

Hi, I am Sofia, I'm 12 years old, today I'm going to tell you what I do in my daily routine. From Monday to Friday, my alarm clock rings at 7:00 in the morning, this is the signal to get out of my bed, take a shower, brush my teeth, and start a new day. I start the day by having my favorite cereal and chopped fruit for breakfast. Then, I hop on the bus to go to school, where I have a full schedule of classes ranging from Math, Science, Spanish and English. During lunchtime, I head to the cafeteria where I usually talk to my friends and exchange anecdotes about our day. At the end of class, I go home to do my homework, leaving time for my favorite subject, Math. Then I meet my parents for dinner and talk about the day's events with them, then I relax by watching Netflix with my parents, reading my favorite book, or practicing piano and finally go to sleep.
