

# COUNT ON ME

by Bruno Mars

Listen to the song. Then put the lines in the right order.

1.

I'll be there

2.

If you ever find yourself lost in the dark and you can't see

**When we are called to help our friends in need**

4.

**We find out what we're made of**

5.

I'll sail the world to find you

6.

Every day I will remind you, oh

7.

**You can count on me like one, two, three**

8.

I'll be the light to guide you

9.

If you ever find yourself stuck in the middle of the sea

**'Cause that's what friends are supposed to do, oh, yeah**

11.

**And you'll be there**

12.

If you're tossin' and you're turnin' and you just can't fall asleep

13.

And if you ever forget how much you really mean to me

14.

**I can count on you like four, three, two**

15.

I'll sing a song beside you

16.

**And I know when I need it,**

17.

**We find out what we're made of**

# COUNT ON ME

by Bruno Mars

1. And I know when I need it,
2. When we are called to help our friends in need
3. And you'll be there
4. You can count on me like one, two, three
5. I can count on you like four, three, two
6. I'll be there
7. I'll never let go, never say goodbye
8. 'Cause that's what friends are supposed to do, oh, yeah
9. You can count on me 'cause I can count on yo
10. You know
11. You can count on me like one, two, three
12. I'll be there
13. And you'll be there
14. I can count on you like four, three, two
15. And I know when I need it,
16. 'Cause that's what friends are supposed to do, oh, yeah
17. You'll always have my shoulder when you cry
