Part 1: Choose two prepositions to go with the verb on the left to create a three word phrasal verb. Then, match the phrasal verb with its definition on the right.

Phrasal Verb		
a. Con		
b. Crack		
c. Do		
d. Get		
e. Give		
f. Grow		
g. Lead		

Letter	Definition
	To become too big to wear something
	To cause something to reach the final conclusion
	To end something
	To deal with something that you don't want to do
	To deal with bad behavior more strictly
	To stop fighting and surrender to a difficult situation
	To trick someone out of money or something valuable

Part 2: Use one of the three part phrasal verbs above to complete the sentences below. Make sure you change the verb into the correct tense.

1) I _____ painting the fence in a few days because you know I hate painting things.

2) We, as a society, have to keep battling this virus and supporting each other and never _____ it.

3) As of now, the government of El Salvador _____ people, who are out in the streets and not obeying the daytime curfew, even putting them in jail.

4) Her young child is physically developing so quickly, that she _____ her toddler clothes already.

5) Some scientists and doctors believe that eating raw animal meat _____ this virus outbreak.

6) Because of my diabetes diagnosis, I have been reducing my sugar intake, but it is extremely difficult to _____ it altogether.

7) The conniving thief _____ the unaware man _____ his entire inheritance by getting him to sign the falsified will and other documents.
