

I follow the Moskva
Down to Gorky Park
Listening to the wind of change
An August summer away / night
Soldiers passing by
Listening to the wind of change

The world is closing in
And did you ever think?
That we could be so close?
Like time / brothers
The future's in the air
I can feel it everywhere
Blowing with the wind of change

Take me to the magic of the moment
On a glory night / dreams
Where the children of tomorrow
dream brothers / away
In the wind of change

Walking down the street
And distant change / memories
Are buried in the past forever
I follow the Moskva
And down to Gorky Park
Listening to the wind of change

Take me to the magic of the moment
On a glory night / change
Where the children of tomorrow dream
away / time
In the wind of change

The wind of change blows straight
Into the face of time / memories
Like a storm wind that will ring
The freedom bell for peace of mind
Let your balalaika sing
What my guitar wants to sing

Take me to the magic of the moment
On a glory night / change
Where the children of tomorrow dream
away in the wind of change
