Charge cost lend owe pay for save sell spend

Hi Samantha,

How was your weekend?

On Saturday, I 1 borrowed £100 from my mums to buy some smart clothes for my job interview next week. I already 2 _____ her £50 – so that makes £150 now. Help! I 3 _____ £95 on a new jacket and trousers. The jacket 4 _____ £80, but the shop only 5 _____ me £15 for the trousers because they had a mark on them. (They're normally £30, so I 6 _____ £15).

I met my dad at an Italian restaurant and we shared a pizza for lunch. He was really surprised when I 7 _____ it! The restaurant also 8 _____ recipe books. I really wanted to buy one for mums, so Dad 9 _____ me £10.

I really hope I get the job. I need money!

Love

Lizzy
