

LESSON 3 GRAMMAR

A Complete the conversations. Circle the correct answer.

- A: What **I should /should I** do for a sore throat?
B: You **shouldn't drink/should drink** some tea. It really helps.
- A: **We should /Should we** leave soon?
B: Yes, we **should /shouldn't**. It's getting late.
- A: How long **my daughter should /should my daughter** take this medicine?
B: She should **take /takes** it for five days.
- A: When **should I /I should** go back to work?
B: Maybe in a week. **You shouldn't/Should you** return too soon. You need to rest.

B Complete the sentences. Use *should* or *shouldn't* and the words in parentheses.

- Her throat hurts. She _____ some tea. (drink)
- That is not your medicine. You _____ it. (take)
