	Countable	Uncountable	Plural form
1 toothpaste		✓	-
2 jacket			
3 trainer			
4 deodorant			
5 jumper			
6 soap			

## some / any

4 Complete the conversation with *some* and *any*.

Lara: Mum, we need to go shopping. We haven't got <sup>1</sup> any shampoo.  
Mum: I know. And we need <sup>2</sup>            shower gel. Are there <sup>3</sup>            bars of soap?  
Lara: Yes. I think we've got two.  
Mum: And is there <sup>4</sup>            toothpaste?  
Lara: Yes, there's <sup>5</sup>            toothpaste. But we need new toothbrushes.  
Mum: OK, we can buy <sup>6</sup>           .

## a lot of / much / many

5 Complete the text with *a lot of*, *much*, *many*, *how much*, and *how many*.

I'm having a party and all my friends are here. They look great! <sup>1</sup> A lot of the girls are wearing jeans or trousers. There aren't <sup>2</sup>            girls in dresses. <sup>3</sup>            makeup are they wearing? They aren't wearing <sup>4</sup>            - they don't need it! And what about the boys? They're all wearing jeans - and <sup>5</sup>            them are wearing nice shirts. <sup>6</sup>            boys are wearing hair gel? All of them!
