5 Complete the text with the correct answers, a, b or c.

My dream house would be a ¹ c villa in the country, with five bedrooms, a swimming pool and a large garden. We live in a warm climate so I'd rather it was in a ² a spot which doesn't get too hot. I don't like old things so I wouldn't want ³ a furniture. It would have to be that modern Scandinavian stuff, lots of ⁴ b wood that you can see your reflection in. I don't like ⁵ a either, so I wouldn't want too many things taking up space and looking messy. I'd have lots of specially designed ⁶ b furniture, like cupboards and wardrobes, so that I could keep everything tidy. The final touch would be lots of ⁷ c all over the place. I've always loved growing them and they're the best decoration for a house.
