Jason Murphy

¹My name's Jason Murphy and I'm a digital designer. Welcome to my profile.

²I was born on 29 June, 1994 in Cambridge, UK, but moved to London when I was two and grew up there.

³I finished secondary school in 2012, then went to the University of Durham, where I studied art history. I always enjoyed art both at school and at home and had my first exhibition when I was 14. I really enjoyed my university course and when I was there I started making art on my computer. That was when I discovered I wanted to work in digital design.

⁴I finished university in 2015. After that I worked as an intern for Brash Design. When I was there I designed websites. I worked as an intern for a year, before they employed me full-time for two years. Next, I started working for Microdesign.io as a manager of a small design team. This is where I work now and I really enjoy my job.

⁵My interests include mountain biking and visiting other countries with my girlfriend.
