A : _____

P : _____

P : _____

I : _____

R : _____

Narrative Essay: The Time I was Hospitalised

Last school holiday, I felt ill with a high fever and stomach pain. After _____ a doctor, I was advised to seek immediate medical attention at the hospital.

I had to be _____ due to dehydration and weakness. I received attentive care from the medical team, including doctors and _____. My parents stayed _____ my side, offering emotional support throughout.

Initially I was scared but I gradually felt reassured by the care and support I _____. Despite the discomfort, I remained positive, learning resilience and gratitude for the attentive care and familial support during that challenging time.
