

## Listening

12  Listen to five teenagers talking about surprising experiences. Choose the correct option.

- 1 Speaker 1 felt **lonely/embarrassed/content** when she looked at her watch.
- 2 Speaker 2 was **happy/surprised/optimistic** when he looked at his social media.
- 3 Speaker 3 was **lonely/jealous/bored** when her friend ended the call.
- 4 Speaker 4 felt **surprised/amazed/sympathetic** when he first saw the old lady.
- 5 Speaker 5 felt **bored/surprised/pessimistic** before she went on the summer camp.

Score \_\_/5

13 Listen again. Match what the speaker says (a–e) with speakers 1–5. Use each speaker once.

- a I didn't have anything to do so I called my friend. \_\_\_
- b It would be a good idea for me to be more optimistic in the future. \_\_\_
- c I saw a combination of two things I liked. \_\_\_
- d I was content with the atmosphere in the place where I was. \_\_\_
- e My act of kindness led to a surprise discovery. \_\_\_

Score \_\_/5
