Anna's family has a tradition of helping each other during celebrations. Last weekend, they prepared a special feast for Anna's graduation (*lễ tốt nghiệp*). Anna's mom planned to make sticky rice and pastries with fruit fillings. She asked Anna to divide the ingredients into small bowls. In the living room, Anna's dad decorated the table with lanterns and candles. He also added flowers to make the table look nicer. Anna's brother, Tony, helped by calculating how much flour they needed for the pastries. Unluckily, he put too much salt, making it a bit salty. At first, Anna stared at her mom and thought Tony got into big trouble. However, mom wasn't a tough person so she just smiled and told him not to worry because she could fix it. At the end of the day, Anna's family enjoyed the delicious meal and watched fireworks together outside.
