

You've got a friend in me

When the road looks rough ahead

And you're miles and miles

From yourwarm bed

You justwhat your old pal said

If you've got troubles, I've got 'em too

There isn't anything I wouldn'tfor you

We stick together and canit through

Cause you've got a friend in me

Some other folks might be

A little bitthan I am

Bigger and stronger too

Maybe

But none of them willlove you

The way I do, it's me and you

Boy, and as the years go by

Our friendship willdie

You're gonna see it's our destiny
