Use topic sentences

An essay is divided into paragraphs. Each paragraph discusses a different topic. A good essay contains topic sentences. A topic sentence is usually the first sentence in a paragraph. It introduces the main idea of the paragraph so the reader knows what it will be about. Topic sentences give your essay structure and make your arguments clearer.

Read the essay in Activity 1. Write the topic sentences in the correct place.

- b ~~Every day we hear about another food that is bad for our health.~~
