A Day in the Life of a Student

Read the text and write if the statements are TRUE or FALSE.

My name is Emily. I am 14 years old, and I live in a small town. Every day, I wake up at 7 a.m. and get ready for school. I have breakfast with my family, and then I walk to school with my friends. In school, my favorite subject is science. After school, I like to read books and play with my dog, Max. In the evening, I do my homework and have dinner with my family. I go to bed at 10 p.m.
