

Setting: An Indonesian restaurant, where two friends, Alex and Jamie, are looking at the menu.

Alex: Hey Jamie, have you looked at the menu yet? Everything sounds amazing!

Jamie: I just started! I'm really curious about the Nasi Goreng. I've heard so much about it. What does it say?

Alex: It's listed as fried rice with chicken, shrimp, and vegetables. It's priced at Rp 120,000. Sounds like a great deal!

Jamie: That does sound good! I'm also interested in the Satay Skewers. How much are those?

Alex: The Satay Skewers are Rp 90,000 for a set of five. They come with a peanut sauce that's supposed to be delicious.

Jamie: Yum! I love peanut sauce. What about the Rendang? I've heard it's a must-try.

Alex: Yes! The Beef Rendang is Rp 160,000. It's slow-cooked in coconut milk and spices. I've had it before, and it's incredibly flavorful.

Jamie: That sounds tempting! I might have to get that. What about vegetarian options?

Alex: There's a Tahu Tempeh dish for Rp 110,000. It's fried tofu and tempeh served with a sweet soy sauce.

Jamie: Perfect! I've been wanting to try tempeh. Do they have any soups?

Alex: Yes, they do! The Soto Ayam, which is a chicken soup with turmeric and spices, is Rp 80,000. It's really comforting.

Jamie: I think I'll start with that! And maybe we can share the Nasi Goreng and the Satay Skewers?

Alex: Great idea! That way we can try a bit of everything.

Jamie: Sounds like a plan! I can't wait to dig in.

Alex: Same here! Let's call the waiter over.

(They wave to the waiter to place their order.)
