Exercise 4.

a.  **► 9.3** Nghe và chép chính tả các câu còn thiếu dưới đây.

You will hear a conversation between two friends, Sarah and John, discussing their past experiences doing a school project at university.

Sarah: Hi, John. Do you remember the big group project we did in our second year at university?

John: Oh yes, I remember it well. (1) It was a lot of work, but also a lot of fun.

Sarah: I agree. I spent hours researching for my part. (2)
..... What did you do again?

John: I worked on the section about recycling technologies. I remember visiting a recycling plant to gather information. It was really eye-opening.

Sarah: That must have been interesting. Do you remember (3)
.....?

John: Yes, we had a meeting where we discussed everyone's strengths and interests. It helped us work efficiently.

Sarah: And the presentation! (4) I was so nervous.

John: Me too. But in the end, we did really well. The professor praised our teamwork and thorough research.

Sarah: It was definitely a rewarding experience. I think (5), like time management and collaboration.

John: Absolutely. I even think it prepared us for real-world projects in our careers.

Sarah: I agree. Looking back, I'm proud of what we accomplished.

10.1

Nghe và điền từ thích hợp vào chỗ trống để hoàn thành câu hỏi IELTS Speaking Part 2 dưới đây.

Topic: Describe a specific wildlife conservation project or initiative that you find inspiring.

I'd like to talk about a wildlife conservation project called "Save the Tigers." This project focuses on protecting tigers, which are an **1.** One of the main goals of the project is to preserve the **2.** of tigers. They live in forests, and these forests are part of the food chain that tigers rely on.

The project works to reduce emission levels that cause **3.** For example, they encourage people to stop using cars that pollute the air and instead use bicycles or walk. They also organize clean-up events to pick up **4.** in the forest areas. This helps to keep the environment clean and prevents landfills from getting bigger.

One big problem for tigers is **5.** People cut down trees to make room for farms or cities, which leads to **6.** for the tigers. The project fights against this by planting new trees and protecting old ones. They also work to stop **7.** Some people hunt tigers for their fur or other body parts, and this is very harmful.

The project also educates people about **8.** and **9.** These issues can make it harder for tigers to find food and water. They explain how things like **10.** can destroy the places where tigers live.

In conclusion, the "Save the Tigers" project is very inspiring because it helps to conserve tigers and their homes. It addresses many problems like pollution, litter, and illegal hunting, which all contribute to the protection of this important and beautiful species.
