# What do you like for breakfast?

We asked four children about their favourite breakfast foods.

Hi. I'm Abd Allah from Egypt. I sometimes eat bread with jam or cheese. But usually I eat *fuul* and bread for breakfast. *Fuul* is mashed beans. It's great with olive oil and flat bread. I sometimes have an egg with it, too.

My name's Pete. I'm from Scotland. For breakfast, I usually have a bowl of cereal with milk, and then toast with butter. We have lots of different cereals at home, but my favourite is cornflakes. I don't have a very big breakfast because I eat lunch early at school.

Hi, everyone. I'm Huong and I come from Vietnam. For breakfast, I usually have noodle soup. My grandma makes it every morning. Sometimes, I have *xoi*. These are balls of rice with beans. They are wrapped in coconut leaves and are really yummy.

Hi. My name is Mariana and I'm from Mexico. My favourite breakfast is *huevos rancheros*: eggs cooked in tomato and chilli sauce. Under the eggs is a tortilla, which is a corn pancake. I always eat a big breakfast because we don't have lunch at school.
