Select the correct word.

All it'd take is **two** / **one** flight
We'd be in the same **time** / **hour** zone
Looking through your timeline
Seeing all the rainbows, **I** / **He**
I got an **plan** / **idea**
And I know that it sounds **strange** / **crazy**
I just wanna see ya
Oh, I gotta ask

[Chorus]

Do you got plans **tonight** / **today**?
I'm a couple hundred miles from **Japan** / **China**, and I
I was thinking I could fly to your **city** / **hotel** tonight
'Cause I-I-I can't get you off **your** / **my** mind
Can't get you off **your** / **my** mind
Can't get you off **my** / **your** mind

I could feel the **tension** / **love**
We could cut it with a **sword** / **knife**
I know it's more than just a **date** / **friendship**
I can hear you thinking 'bout it, yeah
Do I gotta convince **he** / **you**?
That you shouldn't fall **asleep** / **down**?
It'll only be a couple **hours** / **days**
And I'm about to leave

[Chorus]

[Post Chorus]

Do you got plans **today** / **tonight**?
I was hoping I could get lost in your **house** / **paradise**
The only thing I'm thinking 'bout is you and **I** / **us**
'Cause I-I-I can't get you off **my** / **your** mind
Can't get you off **your** / **my** mind
I can't seem to get you off **my** / **her** mind

Let's get lost **tonight** / **together**
Let's get lost **together** / **tonight**
Baby, you and
I can't seem to get you off **my** / **her** mind
Let's get **tonight** / **together**
Let's get lost **together** / **tonight**
Baby, you and
I can't seem to get you off **my** / **your** mind

[Chorus]

[Post Chorus]

Let's get lost **tonight** / **together**
Let's get lost **together** / **tonight**
Baby, you and
I can't seem to get you off **my** / **her** mind
Let's get **tonight** / **together**
Let's get lost **together** / **tonight**
Baby, you and
I can't seem to get you off **my** / **your** mind
