

- 1 Listen to the audio, then answer some questions regarding the dialogue.

How much the gloves cost.

\$40.99	\$80.00	\$55.00
---------	---------	---------

What was the second product the customer asked about?

A scarf.	A ring.	A purse.
----------	---------	----------

What did the customer decide to buy in the end?

Both products.	None of the products.	Only one product.
