Name: Class:

Floating Market Lembang

Floating Market Lembang is a fun and unique tourist spot in Bandung, Indonesia. It is located in Lembang, a cool area with fresh air and green views. This place is like a big park with a beautiful lake. The special thing about the Floating Market is the food market on boats! Many small boats float on the lake, selling delicious snacks and drinks.

You can walk around the lake, take photos, or relax on the benches. There are also activities for kids, like feeding rabbits and riding small boats. Visitors can try local foods, like "batagor" (fried dumplings with peanut sauce) and "siomay" (steamed dumplings).

Floating Market Lembang is a great place to enjoy nature, eat tasty food, and have a nice time with friends and family. It is open every day, and you need to buy a ticket to enter.
