The life of a teenager in South Africa

My name is Buhle. I'm sixteen years old. I live with my parents in a house in Johannesburg, South Africa. I've got a younger brother, but he lives with my grandmother.

I go to Greenside High School. I usually walk there. It's a big school with big classes. There are 56 students in my class. My teacher has a difficult job! History is my favourite subject.

My main hobby is the Internet. Now I've got four websites. I write about South Africa and life in South Africa. I want people to know about my country, its people, and the things that South African teenagers like doing.

I love sports. I can play hockey and volleyball very well. I also like watching films at the weekend. There's a big cinema in my neighbourhood. Last Saturday I went there with my friends. We watched an action film and then ate some hamburgers. We had a great time!

I've got lots of plans for the future. In 2019, I'm going to travel to Paris, France. I would like to see the Eiffel Tower.
